## STi Parts and custom accessories

**Available :** Many parts available to make your Impreza unique.

**Also see** Clothing, performance exhaust systems etc. ALL PICS ON WEB SITE (above)

From **Clear lens indicators** for that unique look, to **22B type bonnet vents**, MRT Performance can make any Impreza look different!

**Alloy STi badges**, competition or road type **Clutch kits**, even **Twin Head light conversions**, most parts

are in stock.

**Spot light conversions** from the std Fog light assemblies, the benefits are surprising! A ready made kit that actually bolts direct to the original mounts PLUS includes a custom wiring kit that fits the standard wire

harness!

Even the RARE **22B adjustable rear wing or cast alloy fender emblem**, we have in stock. The wing will fit the original mounts and simply

bolts straight on!

**Bonnet scoops**

made from cast aluminium, unique!

**MRT Performance** also carry a full range of STi Stickers, badges and side emblems, from hard to get

Japanese spec designs to those fitted to the Australian STi Ver 5.

**MRT Performance. For Daihatsu, Subaru & Honda.**
